## Certificate to be corrected

This form is provided for you to report all corrections to be noted on a horse's original registration certificate in compliance with APHA rules. Please furnish the applicable information, sign where indicated and mail to the above address with the original certificate. Current left and right sideview photos will be required.

### CORRECTIONS MADE FOR A FEE

- Picture replacement**— A new certificate with an updated photo of the horse.
- Registry Status Change.** If the horse is currently registered in the Solid Paint-Bred/Breeding Stock Registry and you feel that the horse is now eligible for the Regular Registry, a change of registry can be requested. Close-up photographs of the qualifying area, must be submitted. RG-070E allows some solid Paints to advance to the Regular Registry if they have a Paint pattern gene and Paint trait. Color/pattern DNA results from an APHA-approved lab are required. RG-020A.1.b allows some solid Paints who have two APHA parents and at least three connected generations of APHA bloodlines to earn Regular Registry advancement if they do not meet RG-070.E requirements. See rulebook for RG-070.E consideration, please include photos of the qualifying trait(s) and a copy of DNA testing.

### CORRECTIONS MADE FREE OF CHARGE

- Gelding.** Please provide the date of gelding. If the horse was gelded at the time of your purchase and a specific gelding date is not known to you, you may use your purchase date as the date of gelding.
- Correction of color.** Please submit two recent, direct sideview photographs that clearly show the horse's current color. Additional photographs may be needed of the rear or primitive points if you are attempting to show dun gene characteristics.
- Brand.** Please include a photo of the brand.
- Scars/Miscellaneous.** If there is other information that should be noted on the horse's original registration certificate, please include that information in this area.
